

Help Support the Alzheimer's Association Montana Chapter and provide excellent training for professional caregivers and superb support for family caregivers.

Accepting the Challenge: Providing the BEST CARE for PEOPLE with Dementia

Taught by master trainers, Teepa Snow MS, OTR/L, FAOTA and Melanie Bunn RN, MS, GNP, Accepting the Challenge is designed to help professional caregivers provide the best possible care for people with dementia. Through interactive class room lecture and demonstration to on-site interactions with Alzheimer's patients, viewers will be challenged to open their minds and hearts to a new way of thinking, learning and caregiving.

*The training program material is divided into 4 modules:*

Module 1: What is dementia? ? Symptoms of Alzheimer's

Module 2: Physical Approach ? Communication Skills

Module 3: Offering Assistance ? Evaluation Cognitive Levels

Module 4: Meaningful Days (Activities) ? Problem Behavior

The DVD features review capabilities for specific segments within each module and a testing section that allows learners to demonstrate proficiency.

This video is sold in DVD only. Developed by the Alzheimer's Association Eastern North Carolina Chapter.

Dear Carrie,

I want to thank the Alzheimer's Association Montana Chapter for sending me the DVD "Accepting the Challenge" of caring for those with Alzheimer's. St. John's Lutheran Ministries will purchase the DVD, and I have sent a request to bookkeeping to issue you a check. The price is very reasonable as the material is very well done.

This is a wonderful educational tool. We are making it a part of our CAN training, and also will be incorporating the DVD into our specialized training for our new Assisted Living Cottages. I will be also using the DVD as an introduction to families about Alzheimer's disease and the disease process.

Thank you again, and God's blessing to you and the Alzheimer's Board.

Sincerely,

Nancy Fee, Director Special Services
